The sufficiency of these procedures is solely the responsibility of those parties specified in this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and the associated findings are as follows:

1. Obtain a copy of the candidate's campaign finance report for the reporting period.

Finding

We obtained the Post-General – Campaign Finance Report of the Committee to Elect Peggy Toomey Hammann for the reporting period of October 14, 2004 to November 22, 2004. In addition, we reviewed this report for mathematical accuracy and noted no exceptions.

Based on our review of the Committee's Post-General – Campaign Finance Report the Committee did not report any contributions during the reporting period.

- b. Determine whether any contributions received from individuals exceed the early contribution limit of \$110 per person.

Finding

Based on our review of the Committee's Post-General – Campaign Finance Report the Committee did not report any contributions during the reporting period.

- c. Check compliance with the maximum early contribution limit of \$2,830.

3. Perform a desk review of the disbursements reported in the candidate's campaign finance report to identify any unusual items requiring follow-up during fieldwork.

4. Contact the candidate or the campaign treasurer, as appropriate, to schedule a date to perform audit fieldwork. Discuss the nature of the documentation, which will be needed to perform the audit and ascertain the location of the necessary documentation.

Finding

We contacted candidate Peggy Toomey Hammann and scheduled the audit fieldwork date to commence on February 17, 2005. In addition, we discussed the nature of the documentation which will be needed to perform our review.

5. Conduct an entrance conference with the candidate and/or his or her representative(s) to discuss the purpose of the audit, the general procedures to be performed and potential future requirements of the candidate, such as possible repayments to the Fund.

Finding

An entrance conference was conducted with the candidate on February 17, 2005. We discussed the purpose of the audit, the general procedures to be performed and potential future requirements of the candidate.

6. Conduct an interview with the candidate and/or his or her representative(s) to discuss the bookkeeping policies and procedures utilized by the campaign committee.

Finding

An interview was conducted with Peggy Toomey Hammann on February 17, 2005. Our review of the Committee's bookkeeping policies and procedures disclosed that the "cash on hand" activity is not being reconciled to the bank statements in a timely manner. This created a situation whereby inaccurate financial information was recorded on the campaign finance report.

7. Obtain the names of the candidate's family members. Family members include parents, grandparents, spouse, children, siblings and a parent or spouse of any of those persons.

Finding

We obtained a listing of the candidate's family members. The listing included all the applicable family members, as by definition.

8. Obtain bank statements for each of the months in the reporting period and perform the following:
 - a. Select a sample of deposits and withdrawals from the bank statements and determine that the transaction is properly reflected in the candidate's records and campaign finance report.

Finding

Deposits

For two of two deposits selected for testing, the deposits were not recorded in campaign finance report. The following is a recap of the relevant information:

<u>Date</u>	<u>Payor</u>	<u>Description/ Purpose</u>	<u>Amount</u>
11/04/04	KJJJ – check 557	NSF return check redeposit	\$ 152.00
11/08/04	Unknown	Unknown	578.34

In addition, the Committee did not provide supporting documentation for the deposit of \$578.34 on 11/08/04.

Withdrawals

We reviewed six disbursements from the Committee's bank statements to determine whether the transactions were properly reflected in the Post-General Campaign Finance Report. The following is the results of this review:

- 1) All six of the disbursements were not reported on the Committee's Post-General - Campaign Finance Report.

Check Number	Date	Purpose	Payee	Amount
553	10/15/04	Mileage	Peggy Toomey Hammann	\$ 100.00
556	10/29/04	Unknown	Lake Havasu C of C	10.00
560	11/01/04	Mileage	Peggy Toomey Hammann	25.00

557	11/03/04	Advertising	KJJJ Radio	152.00

- 2) For four of six disbursements selected for testing, no supporting documentation was provided by the Committee.

Check Number	Date	Purpose	Payee	Amount
553	10/15/04	Mileage	Peggy Toomey Hammann	\$ 100.00
556	10/29/04	Unknown	Lake Havasu C of C	10.00
560	11/01/04	Mileage	Peggy Toomey Hammann	25.00
561	11/08/04	Expense reimbursement	Mary D. Hammann	575.00

- 3) The Committee appeared to have paid the candidate's mother-in-law for expense reimbursements. Check number: 561; date: 11/8/04; payee: Mary D. Hammann; amount: \$575.00.

In addition, based on a review of the bank statements we noted that bank maintenance fees and NSF fees in the amount of \$10.00 and \$28.00, respectively, were not reported on the Post-General - Campaign Finance Report.

- b. Perform a proof of receipts and disbursements for the reporting period.

Finding

We performed a proof of receipts and disbursements for the reporting period and determined that the Committee's "bank" activity did not agree to amounts reported on the campaign finance report. The following schedule will illustrate the results of this comparison:

	Campaign Finance Report	Bank Statements
Beginning balance	\$ 13.37	\$ 463.86
Total receipts/deposits during the reporting period	-	730.34
Total disbursements during the reporting period	-	(1,115.31)
Outstanding checks		(10.00)
Ending balance	\$ 13.37	\$ 68.89

As illustrated above, the "cash on hand" balance at the close of the reporting period differed between the campaign finance report and bank statements by \$55.52. The following schedule will illustrate the various items which comprise the stated difference:

Ending balance – per bank statements	\$ 68.89
Net Pre-Primary prior reporting period differences not clearing	(6.80)
Net Post-Primary prior audited reported period differences not clearing	(307.37)
Net Pre-General prior audited reported period difference not clearing	(.01)
2 deposits clearing bank statement, not reported on CFR	(730.34)
6 check expenditures cleared the bank, not reported on the CFR	961.00
Bank maintenance fee on bank statement, not reported on the CFR	10.00
NSF bank charge on bank statement, not reported on the CFR	28.00
Current period outstanding checks on CFR, clearing bank in subsequent period	(10.00)
Ending balance – per campaign finance report	<u>\$ 13.37</u>

Our review of the Committee's bookkeeping policies and procedures disclosed that the "cash on hand" activity is not being reconciled to the bank statements in a timely manner. This created a situation whereby inaccurate financial information was recorded on the campaign finance report.

9. Judgmentally select a sample of early contributions reported in the candidate's campaign finance report and agree to supporting documentation, which reflects the name of the contributor (for all contributions) and for individuals who contributed greater than \$25, which reflects the contributor's address, occupation and employer.

Finding

Based on our review of the Committee's Post-General – Campaign Finance Report the Committee did not report any contributions during the reporting period.

10. For other types of cash receipts reported on the candidate's campaign finance report, obtain supporting documentation and review for compliance with regulatory rules and laws and agree the receipt to inclusion in the campaign account bank statement.

Finding

Based on our review of the Committee's Post-General – Campaign Finance Report the Committee did not report any other receipts during the reporting period.

Finding

We noted no in-kind contributions during the reporting period.

12. Judgmentally select a sample of cash expenditures reported in the candidate's campaign finance report and perform the following:

- d. Obtain the cancelled check and determine that the check was signed by an authorized individual and review the endorsement to determine the check was deposited or cashed by the payee.

Finding

The Committee did not report any cash expenditures on the Post-General - Campaign Finance Report. As discussed at Step 8a, we noted six cash expenditures clearing the bank which were not reported on the Committee's Post-General - Campaign Finance Report.

- e. Determine whether the expenditure was made for a direct campaign purpose. Direct campaign purpose includes, but is not limited to, materials, communications, transportation, supplies and expenses used toward the election of the candidate.

Finding

The Committee did not report any cash expenditures on the Post-General - Campaign Finance Report. As discussed at Step 8a, we noted six cash expenditures clearing the bank which were not reported on the Committee's Post-General - Campaign Finance Report.

- f. If the expenditure is a joint expenditure made in conjunction with other candidates, determine that the amount paid represents the candidate's proportionate share of the total cost.

Finding

We noted no joint expenditures during the reporting period.

- g. For in-kind expenditures, review the supporting documentation and determine the methodology utilized to value the expenditure and assess the reasonableness.

Finding

We noted no in-kind expenditures during the reporting period.

13. Determine whether any petty cash funds have been established and, if so, determine how expenditures from these funds have been reflected in the accounting records. Determine that aggregate petty cash funds did not exceed the limit of \$1,100 and individual expenditures did not exceed \$110.

Finding

The Committee did not maintain any petty cash funds during the reporting period.

14. Conduct an exit conference with the candidate and/or his or her representative(s) to discuss the preliminary audit findings and recommendations that the auditor anticipates presenting to the CCEC. During this conference, the auditor will advise the candidate and/or his or her representative(s) of their right to respond to the preliminary findings and the projected timetable for the audit report.

Finding

Due to the candidate being unresponsive and uncooperative upon the completion of the audit, we were unable to perform an exit conference to discuss the preliminary audit findings and recommendations that we anticipate presenting to the CCEC.

We were not engaged to and did not conduct an examination, the objective of which would be the expression of an opinion on the Post-General – Campaign Finance Report of the Committee to Elect Peggy Toomey Hammann. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the Citizens Clean Elections Commission, and is not intended to be and should not be used by anyone other than these specified parties.
